## Director's Notes

Ben Thomas

Georgia Vesma

Thank you for coming to this evening's lecture, presented by the reputable Abraham van Helsing, on the true story of Dracula. The Bloody Truth, if you will.

This play has been an absolute delight to direct, the 4 cast members have worked so hard switching between around 40 different parts, and you will see for yourself how tireless the tech and backstage teams have been.

I hope you enjoy this, the last play of our season, and will come back when we return after our summer break.
